

**We are extremely proud to quote from a  
small selection of the many letters and cards  
received, following wedding receptions held at  
The Bear & Ragged Staff...**

"This is just a short note to thank both you and your staff for a very memorable day on Friday 10th May at our wedding luncheon. The food and service were first class (as we knew they would be) and we are very grateful for the professional way that your staff handled the whole afternoon."

"Thank you so much for all the hard work you and all your Staff put into making Debbie's wedding reception such a success last Saturday. We all had a marvellous time, beginning with the drinks and canapés on arrival and then into that fantastic Marquee where we had a lovely meal with wonderful service, followed by a super evening. We can't thank you enough for making the day so special and memorable for all of us."

"We'd both like to thank you very much for making our Wedding Reception perfect. It was brilliantly organised and the day went fantastically well. Can you also please pass on our thanks to all your staff involved."

"Thank you from the bottom of our hearts for giving Hannah & Gareth such a wonderful wedding day on Saturday. You've helped to give us memories we shall treasure for many years to come."

"Many thanks for organising our Wedding Reception at The Bear & Ragged Staff. We want to pass on our sincere gratitude for all of your help and efforts. The day was a true success! The food, marquee and service were truly wonderful. Many thanks once again."

"A big thank you for helping to make our Wedding day so special. The surroundings, the staff and the food were excellent. We would also like to say thank you for all the help that you gave us on the lead up to our wedding."

"I cannot believe how smoothly the whole day went, the food and service was excellent. The marquee was stunning and perfect for a summer wedding, combined with the glorious weather we couldn't have asked for anything more. The whole day went too quickly, but we do have most of it on video. Everyone at the wedding said what a fantastic time they had, it was exactly what we wanted – nothing too formal and fussy."

"We would like to thank you very much for organizing our Wedding reception for us at your restaurant. The meals were delicious, carefully prepared and quietly and efficiently served by your staff. Although our numbers went up to more than we had anticipated, you still managed to squeeze everyone in successfully. Your attention to detail and the pace of the meal ensured that the business of the day, the speeches and the cake cutting were completed very smoothly. We would have no hesitation in recommending your venue to others who may wish to hold a function of a similar nature."
